JUDGE:

RE: Speaking Invitation
St. Louis Rotary Club
St. Louis, MO
Convenient Date in Early 1988

Vice Chairman of the Program Committee of the Rotary Club of St. Louis, R. S. Edwards, has invited you to speak to the Club on a convenient Thursday at one of their luncheons sometime when you are in town for a Washington University Trustees meeting early next year. You have several other invitations from the St. Louis area that you have tentatively accepted. Perhaps you could work the Rotary Club in with one of these events such as the Junior Achievement Awards Banquet on Monday, March 14th (tentatively), or St. Louis Law Day on Friday, April 29th or of course your trustee meeting. Since your dates are not firm, I suggest an interim letter. If you agree, the attached is for your signature.

Dear Bob:

Many thanks for your invitation to speak to the members of the St. Louis Rotary at one of your Thursday luncheons early in 1988. Since I am deeply involved in my new duties these days, I am unable to make a commitment at this time. When my schedule for next year is firm, I will have someone from my Public Affairs Staff contact you. Perhaps we can work around a trustees meeting or some other occasion when I am in the area. It was good hearing from you, and please give the Rotarians my regards.

Sincerely yours,

/s/ Bill

William H. Webster
Director of Central Intelligence

The Honorable William H. Webster,
Director
Counter Intelligence Agency
Washington, DC 20505

Dear Bill:

The Rotary Club of St. Louis would very much enjoy hearing you speak again in your new position. We are hoping you might be able to coordinate this with a Washington University Trustees meeting sometime early next year. As you well know, ours is a Thursday lunch meeting.

We realize you may prefer to maintain a lower profile in your new work. But it would be the Program highlight for the year, if you are able to join us.

Best personal regards,

A handwritten signature in cursive script, appearing to read "Bob", is written over a rectangular stamp.

R. S. Edwards,
Vice Chairman
Program Committee
